Our Promise To You

#PestFreeLiving

Ehrlich's pestfree365 is more than a preventative pest program, it's a promise that we will provide pest free living for your family all year long.

Ehrlich knows that you want a pest control plan that guarantees results while taking your family, pets, home, and lifestyle into consideration. Pestfree365 does exactly that. Your dedicated Ehrlich Pest Specialist will work together with you using Integrated Pest Management (IPM) techniques, to create a pest control plan to meet your specific needs in the least intrusive way possible.

It's more than a guarantee... it's the pestfree365 promise.

Providing pest free living since 1928.

For nearly a century, Ehrlich Pest Specialists have seen and solved just about every pest problem imaginable. Our Pest Specialists have an average of eight years on the job and that experience means they understand how to put the latest materials and methods to work for you. Pest free living all year long... we have been keeping that promise since 1928.

Local pest control experts.

Ehrlich Pest Specialists live and work in your community so they know what challenges you may face when it comes to the pests in your area. In order to build a trusted partnership, we assign one highly trained, state-registered Pest Specialist to your home. Whenever possible, the same Pest Specialist will work with you, providing consistency and a thorough understanding of your pest control history and needs.

Benefits of pestfree365:

- One trained Pest Specialist assigned and dedicated to you and your home.
- Preventative maintenance and unlimited service calls. No extra charges or hidden costs.
- Broad pest protection that includes over 36 of the most common pests.
- Regularly scheduled preventative services and inspections each year for both the interior and exterior of your home.
- Service appointments that work with your busy schedule and lifestyle.
- Honest recommendations for preventing future problems.
- An annual termite inspection for your home.
- Convenient payment options. Ehrlich's EZ Pay plan automates payment, so you don't have to worry.

Benefits of pestfree365 + Termites:

- All the benefits of our pestfree365 plan plus installation of Sentricon® with Always Active™ Technology, an award winning system of termite baiting stations, along the perimeter of your home.
- Sentricon® provides 24/7 protection to your home from termites all year long, with the least amount of disruption to your home. There is no drilling or trenching required to install Sentricon®.
- If termite activity is discovered in your home while the pestfree365 + Termites service program is in effect, Ehrlich will pay up to \$250,000* for labor and materials to repair damage.
- Sentricon® received the Presidential Green Chemistry Award from the EPA for its own impact on the environment.

Please inquire about the seasonal plan for a 2nd residence.

* For homes that qualify. Some limitations may apply.

For all of your pest control needs...
remember Ehrlich.
